Indicator 14 Post-Institute Session – Thursday, March 5, 2020 - 9:00 a.m. – 12:00 p.m.

Each year as required, the North Carolina Department of Public Instruction's Exceptional Children Division collects exit data for Indicator 14, Post-School Outcomes, for the **State Performance Plan/Annual Performance Report (SPP/APR)**. This year, your LEA is included in the sampling plan. Each LEA included in the sampling plan will provide information on each student that graduated, dropped out, or aged out during the 2018-2019 school year. A Post-Institute session has been scheduled in conjunction with the March Program Directors' Institute for all LEAs participating in the upcoming sampling. Some of the topics to be discussed during the session include: using the revised survey instrument/submitting the data, strategies to obtain accurate information, and improving the response rate. The session is scheduled for **Thursday, March 5, 2020** from 9:00 a.m. – 12:00 p.m. and will be at the Koury Convention Center, in Greensboro. The room will be announced shortly. Check in will begin at 8:30 a.m. on Thursday, March 5th.

There is no registration fee; however, please email the name(s) of the person(s) from your LEA who will attend the session to: Dr. Nancy Johnson at ntjohnso@uncc.edu.

If you have any questions, please contact: Nancy Johnson at ntjohnso@uncc.edu or Beverly Colwell at Beverly.Colwell@dpi.nc.gov.
